POLICE DEPARTMENT.

Circular Order No. 2731—144, *dated Bangalore,* 22*nd November* 1875.

It has been the practice in some Districts to shew in the pending column (before Police) of the current monthly Crime Return, cases of 3 or 4 years' standing, and as this bears unfairly on the average working of the Police, it is hereby directed that this practice, wherever it obtains, be at once discontinued.

2. As a rule, the pending column in the Crime Return should shew only those cases reported during the current year and remaining undetected. At the close of the year, such cases as are still undetected must be omitted and not carried forward to the *new year ;* but a separate return will be sent in of undetected cases of previous years as per form enclosed.

3. This latter return will shew in the aggregate *all* cognizable cases that remain undetected for the past 3 years and will be submitted for the 2nd half year 1875, and in future, on the 15th January and 15th July of each year for the past ½ year, and it is to be considered independent of the Quarterly Return ordered to be submitted in this Office No. 1637—86, dated 14th July last, shewing in detail undetected heinous cases.

"By Order,"
E. D. GOMPERTZ,
Dy. Inspector General of Police.
